

OUTREACH PROGRAM

Admission Policy

All area residents are encouraged to participate in any of the college's educational programs. You do not have to be a high school graduate to enroll in any course, but if you are presently attending high school, you must have at least 15 credits/units earned and your principal's approval to receive college credit.

Fees

Tuition will be collected the night of **Outreach** registration. Payment may be made by check, cash, or MasterCard and Visa.

Cancellation of Classes

Some classes may be cancelled because of insufficient enrollment. If a class is cancelled for any reason, all money will be refunded to the student.

Books and Supplies

Most books and supplies can be purchased in the college bookstore in the Student Union. However, textbooks for **Outreach** classes may be ordered through the mail from the college bookstore, or the class instructor may act as a textbook go-between.

Scholarship Information

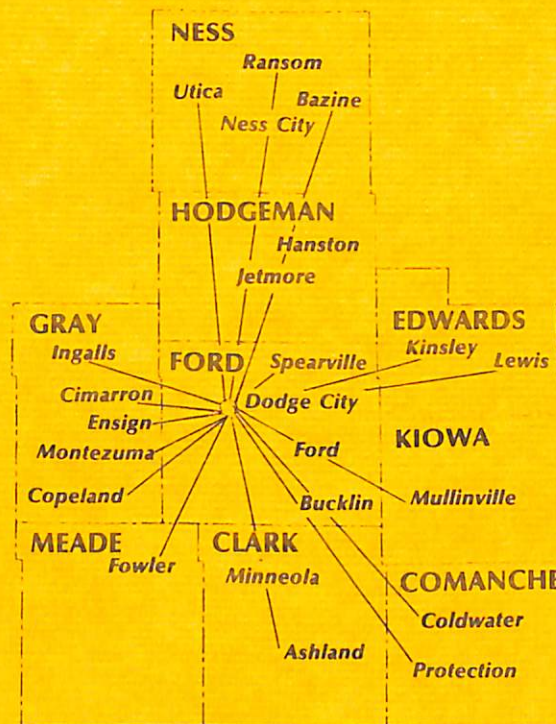

Part-time students, enrolled in 6 or more credit hours, may be eligible for a scholarship if they meet the qualifications determined by the scholarship committee. Applications can be made through the DCCC Office of Financial Aids.

Non-discrimination Statement

Regardless of sex, race, color, national or ethnic origin, or physical handicap, Dodge City Community College is committed to equal opportunity for all students in the administration of admissions policies, educational policies, scholarship and loan programs, and athletics or other school-administered programs.

DODGE CITY COMMUNITY COLLEGE

OUTREACH CLASSES

Offering educational opportunities to as many students as possible is a primary mission of Dodge City Community College.

The **Outreach Program** helps DCCC achieve this important goal by making classes available at times and at locations convenient to many people who are unable to attend regular on-campus activities.

Most classes offered on the DCCC campus can be offered at our **Outreach Centers**, given sufficient demand.

If you would like to request that a particular class be offered in your community, contact your local coordinator at one of the **Outreach Centers** listed in this brochure or call us, toll-free, at 1-800-742-9519 and ask for Jim Lenz, Associate Dean of Instruction.
